2. I am competent to take part, I am not taking any drugs (whether prescribed or otherwise) that may impair my ability to take part and I do not suffer from, and have no history of, any medical condition that could affect my ability to take part in this event. I am fit and healthy and that my eyesight (with lenses if to be worn) is adequate for track use, I do not suffer from colour blindness.
3. I am not under the influence of alcohol.
4. I do not have anxiety, panic attacks or post-traumatic stress disorder and have neither needed to see a doctor nor needed any treatment for any of these in the last 2 years. I have never been diagnosed as having psychosis, schizophrenia, manic-depressive psychosis, bipolar disease or any other serious mental illness.
5. I will satisfy myself (by sighting lap or otherwise) before taking part in any on track activity that the track is acceptable to me with regard to its features, it's condition and its physical layout. I will not carry a passenger until I have completed at least 3 familiarisation laps.
6. I have read and understood, and will comply with, all information and regulations provided to me in relation to the track day and I will comply with instructions and directions given by the organisers, instructors and any other representative of LoT at all times whilst at the Venue. In the interests of safety, the organisers or instructors may exclude me from further participation in the activity if they think I am driving recklessly or dangerously. Any in-car camera or other equipment is safely and securely attached, using mounting systems specifically designed for that purpose.
9. I understand that LoT's insurance does not cover damage to my vehicle at the Venue (whether caused by me or anyone else driving it, or caused by another participant), and that LoT recommends that participants procure their own track day insurance, liability insurance and personal accident insurance. The use of my vehicle is entirely at my risk and I accept responsibility for any damage to my vehicle howsoever caused. LoT will not be scrutineering participant's vehicles before permitting them on the track, nor has it any control over the level of competence of other participants.
10. I shall wear a seat belt or properly fitted harness at all times whilst in a vehicle. I shall wear a properly fastened approved crash helmet that is suitable for use in a car on a circuit at all times whilst on the circuit. I understand that timing is not permitted.
